

Dalbo MiniMax 630 Roller

£13750 ex VAT

Description

C/W 55cm snowflake rings.

The Dalbo MiniMax 630 is a 3-section, hydraulic folding, all-round roller with a 6.3-meter working width designed for seedbed preparation, post-sowing consolidation, and grassland maintenance. Featuring the DUOFLEX system, it offers independent section flexibility, mechanical weight transfer, and 55cm Snowflake rings for efficient, consistent soil pressure. Please make contact before travelling to view machinery to find exact location
