

## Kuhn GA 1031

### Description

GA 4731 T and GA 5031 T are trailed single rotor rakes. They rake at a working width of 4.65 to 5.00 m. With the MASTERDRIVE GIII gearbox they are just as reliable as the larger models. Their arm holders make tine removal very easy. These trailed single rotor rakes designed for tractors from 40hp; also have ergonomic advantages, especially in terms of arm removal and machine folding for transport.
