

Kuhn GA6601 Twin Rotor Rake

£18950 ex VAT

Description

c/w hydraulic width adjustment, wide angle PTO & manual steering axle.

The Kuhn GA6601 is a twin-rotor, central-delivery rotary rake designed for high-capacity, professional haymaking. It is built for efficiency, producing a central windrow while maintaining high work output, making it ideal for large-scale operations requiring clean, high-quality forage.
