

Kuhn PREMIA

Description

PREMIA mounted mechanical seed drills come in working widths from 2.50 to 4.00 m with hopper capacities from 380 to 1450 l. PREMIA mechanical seed drill has features that make all the difference, like the HELICA distribution system that provides high quality seeding, and the systems for easy loading, emptying and adjusting. With both the single-disc and Suffolk coulter versions, you can seed any size of seed and expect great results.
