

Kuhn PROFILE PLUS 2 DL TWIN-AUGER

Description

The PROFILE PLUS 2 DL mixers have 2 vertical augers, straw-blowing turbine, a large hopper and feed out via direct side doors. Available in 24 to 34 m³ capacities, these machines are suited to herds of between 120 and 265 cattle. Mixers with 2 vertical augers - designed for intensive use.

With capacities starting at 24 m³ and ranging up to 34 m³, these machines are ideal for larger scale farms and manoeuvring around tight spaces.

This new range of PROFILE PLUS mixer wagons sets a whole new standard in the trailed mixer wagon sector.

You will love the upgrade to a dual purpose, higher specification machine. With the patented weighing system, the 250 possible feed-out configurations and the K-NOX mixing augers as standard, the PROFILE PLUS 2 DL mixer wagons are the future for sustainable precision feeding.
