

Kuhn VENTA 1010 - 1020 - 1030

Description

VENTA integrated pneumatic seed drills can be used in combination with HR 1020 - 1030 - 1040 power harrows and CD 1020 series disc cultivators. CD/VENTA and HR/VENTA seeding combinations come with Suffolk coulters, double discs or SEEDFLEX seeding units. Seedbed preparation and application rate are dependant on conditions, which often vary. For perfect adaptation to conditions, CD/VENTA and HR/VENTA seeding combinations are equipped with many easy-to-adjust settings. These features allow you to adapt seeding to varying conditions, quickly and easily. Many settings can even be adjusted from the tractor seat while working.
