

Wessex International CMT Finishing Mowers

Description

The Wessex CMT SERIES FINISHING MOWERS are an entry-level range with superb build quality and great value for money. Available in 3 working widths, they are ideal for private estates and gardens.

3 overlapping rotors prevent unsightly uncut strips and the wheels are easily adjusted to the perfect cutting height. A perfect addition to any compact tractor.

OVERLAPPING ROTORS – No uncut strips of grass

ADJUSTABLE LOWER LINK POINTS – Will suit any compact tractor

SIMPLE BELT ADJUSTMENT – Ease of maintenance

FLOATING TOP LINK POINT – Accurate ground contour following

SIMPLE CUTTING HEIGHT ADJUSTMENT – Ease of operation
ANTI-SCALP ROLLER – to reduce scalping on undulating ground
STRONG BUILD QUALITY – increasing product lifetime
