

Wessex International RC Tractor Rotavator

Description

Create the perfect seedbed or vegetable garden with a Wessex RC tractor rotavator. These popular machines are ideal for nurseries and glasshouses as well as private gardens, and boast features found on much more expensive models, such as a friction plate clutch, adjustable tailgate and a powerful chain & sprocket transmission.

Coupled to a compact tractor from 16hp+, the Wessex RC tractor rotavator also meets all UK guarding regulations, for peace of mind.
